The new PLAYPARC -inclusive carousel TIVAT is suitable for all people. Its floor-level installation allows barrier-free access and joint use by people with and without wheelchairs. The only thing you still have to do is give yourself the swing. The unit is supplied fully assembled, including a prefabricated foundation and the spacer ring.

## TECHNICAL

The floor covering and the distance ring are made of HPL. The superstructure is made of stainless steel. The unit has a safety area of 2m all round and requires a fall-absorbing floor in accordance with DIN-
